Work Experience

FRONT-END DEVELOPER

OPUS SOLUTIONS - Liverpool

Jun 20XX–Present

- Implement reusable, efficient, and scalable JavaScript code to build and maintain an innovative solutions platform for small businesses in the North West
- Spearheaded the development of user interface components for online and mobile applications, contributing to a 30% increase in user engagement
- Leveraged knowledge of Android, iOS, and Web platforms to enhance code reuse, resulting in a 25% reduction in development time for new features
- Created interchangeable front-end modules, facilitating seamless integration of new features and reducing deployment time by 20%
- Identified and resolved front-end issues promptly, leading to a 50% decrease in bug reports from end-users

JUNIOR FRONT-END DEVELOPER ASSISTANT

SPROUT - Sheffield

Apr 20XX–Jun 20XX

- Played an integral role in the development lifecycle of a popular FinTech app by leveraging knowledge of JavaScript, TypeScript, and React
- Worked closely with senior developers to implement front-end features and ensure the overall success of projects
- Assisted in maintaining and optimising the software stack to ensure high performance and scalability
- Actively engaged in code reviews and provided constructive feedback to enhance code quality

- Conceptualised and executed user-centred design strategies for web and mobile applications, focusing on creating intuitive and visually appealing experiences
- Conducted user research, including interviews, surveys, and usability testing, to gather insights and inform design decisions, resulting in a 20% increase in user satisfaction
- Developed 100+ user-centric designs, ranging from wireframes to high-fidelity prototypes, to drive innovation and enhance user engagement
- Continuously iterated and optimised designs based on user feedback and analytics data, contributing to a 30% improvement in key performance metrics such as user engagement and conversion rates

Dear Reader,

Our goal at CV Genius is to provide you with the resources you need to get the job you want, and having a professional-looking CV is an essential part of that mission.

That's why each one of our CV templates is carefully created to make your application look polished and easy to read. Additionally, our templates are designed to help your CV get past the Applicant Tracking System software that many large employers use to scan through applicants.

However, writing an impressive CV isn't only about the template you use. Make sure your CV also highlights your qualifications, skills, and experience by using our free resources and reading our articles written by certified career coaches:

- [How to write a CV](#)
- [CV layout](#)
- [CV examples by industry](#)
- [CV maker](#)

After you've finished writing your CV, download a matching [cover letter template](#) and write a cover letter tailored to the position you're applying for to give your job application an extra boost.

Here are some of our most helpful [cover letter resources](#) to help you accomplish that:

- [Cover letter builder](#)
- [Cover letter examples](#)
